Re: United States v. Robert Alexander, 19 Cr. 164 (ALC)

Dear Judge Carter:

I represent Robert Alexander in the above-referenced case and am writing to request a modification of Mr. Alexander's conditions of release. Following Mr. Alexander's arrest, he was released on a number of conditions, including that his travel be restricted to the Southern and Eastern Districts of New York and the District of New Jersey. Over the past several months, however, due to medical and personal reasons, Mr. Alexander has sought and received permission from this Court to travel to other districts within the continental United States. Mr. Alexander anticipates needing to take additional trips to deal with medical and personal issues in the coming weeks. In order to avoid burdening the Court with further requests, we respectfully request that Mr. Alexander's conditions of release be modified to permit him to travel to any district within the continental United States as long as he seeks and obtains advance approval for the travel from Pretrial Services, and as long as he copies the government on any request to Pretrial Services. Neither the government nor Pretrial Services has any objection to the requested modification. I thank the Court for its consideration.

Respectfully submitted,

/s

Brian A. Jacobs

The application is **GRANTED**.

So Ordered.
